Welcome to USIM

Universiti Sains Islam Malaysia (USIM) is a leading Islamic university in Malaysia. Established as the 12th university fully owned and funded by the Malaysian Government, USIM strives to be a leading institution of knowledge and a global reference center for the integration of Naqli and Aqli knowledge.

At USIM, we believe in a balanced approach to education that encompasses both the physical and spiritual aspects of learning. This philosophy is not only reflected in our academic programs but also in our administration and management practices. By incorporating values

into all facets of university life, USIM nurtures students who are not only academically competent but also ethically grounded.

What sets USIM apart from other universities worldwide is our unique model of Islamic higher education. Our curriculum integrates religious knowledge with social and physical sciences in all of our programs. This holistic approach provides students with a comprehensive understanding of global issues and equips them with the skills to address and solve these challenges effectively.

Vision

Distinguished Islamic Science higher education institution.

Mission

To produce competent intellectual, leaders and professional based on the Muslim intellectual tradition, noble values of religion and culture for the universal good.

Motto

Knowledgeable,
Disciplined and
Devout.

Core Values

Al-Qawiyy Al-Amin
(Trustworthy, Talented,
Professional, Efficient
and Global – Alamiyyah)

1

The Leader in the Integration of Naqli and Aqli Knowledge

USIM provides a novel approach to providing a more comprehensive understanding of the global challenge by basing its curriculum on the Quran and Sunnah.

2

Pioneering Islamic Science

USIM takes pride in reviving the scientific and technological feats of Muslim scholars in the past and moving it forward.

3

Technologising al-Quran and Sunnah

The only university offering degree programmes for Quranic Studies with Multimedia and Sunnah Studies with Information Management to prepare our graduates for the challenges of the future.

4

Islamic Education for Special Education Needs

USIM champions the plight of the disabled to ensure that they are instilled with Islamic knowledge and practice through an integrated and holistic approach.

5

Developing Holistic, Entrepreneurial and Balanced Students

USIM is the first local university that develops and implements its own instrument to measure holistic students through GIINA (Graduan of Intergration Ilmu Naqli and Aqli) in an effort to contribute to the nation as Muslim professionals

6

Promoting a Balanced Approach to Healing

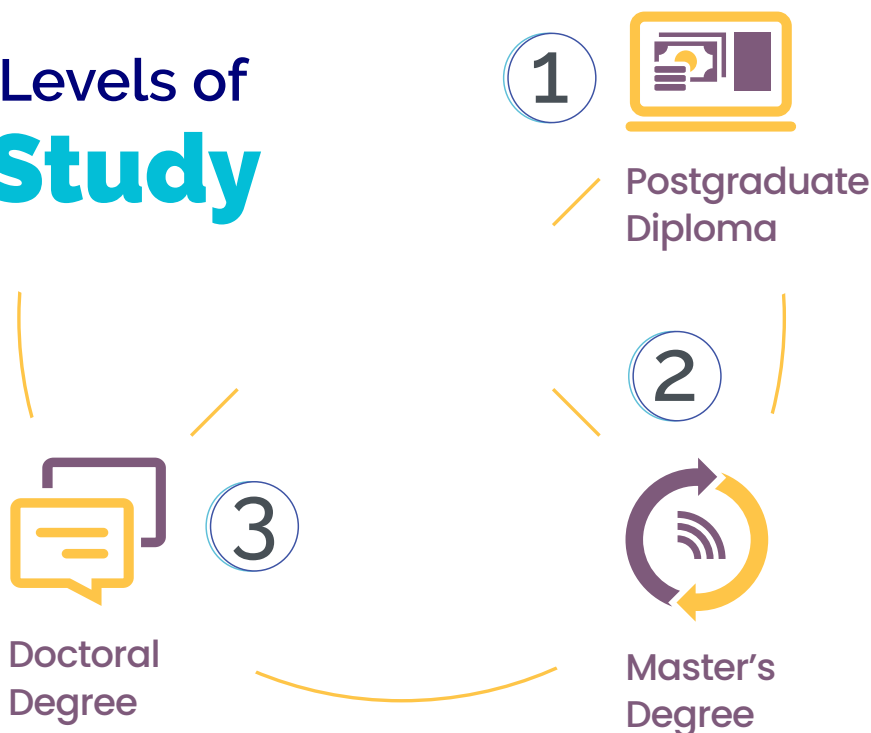

Medical and dentistry in USIM is based on the framework of the Islamic ideological worldview for the pursuit of both rational medical and dental studies as well as the Islamic medical and dental philosophy.

Why should
you be part of
USIM

Academic Programmes

Levels of Study

Coursework-mode

- In this mode, students shall
- attend and pass all required courses and shall be subjected to various course assessments and examinations; and
 - conduct a Master's research project which carries not more than 30% of the programme total credit.

Mixed-mode

- In this mode, students shall
- attend and pass all required courses and shall be subjected to various course assessments and examinations; and
 - conduct research which carries at least 50% but not more than 70% of the programme credit, culminating into a Master's dissertation as partial fulfilment of the degree requirement.

Research-mode

In this mode, students shall conduct research which carries not less than 70% of the programme credit, culminating into a thesis and subjected to thesis examination and viva-voce as a fulfilment of the degree requirement.

Nilai is a city located in Seremban District, Negeri Sembilan, Malaysia, located close to the border with Selangor. It is the northern suburb within the Seremban metropolitan area, as well as part of the Greater Kuala Lumpur metropolitan area. Due to its proximity to the Kuala Lumpur International Airport, it is a rapidly growing city. Nilai is almost halfway between the state capital Seremban and Kajang, Selangor, and lies on the railway linking these two cities. It is also the southern terminus of MSC Malaysia.

Living in Nilai

Experience has shown that the cost of living in Nilai is reasonable and affordable compared to other major cities in Malaysia; this made it possible for our students, especially the international students to enjoy their stay and be focused on their academic career.

More often, the total expenditure for feeding and accommodation in Nilai, where USIM is located is reasonable and affordable compared to what will be consumed for feeding and accommodation in Malaysian major cities. For any international students who are preparing for their future academic career in USIM, here are some other vital information needed;

Nilai has become a popular shopping town with the establishment of several major shopping malls such as Nilai 3 Wholesale Centre, Nilai Square, AEON Mall, Mydin, Giant Hypermarket and Lotus's. MesaMall is the newest addition, having been opened in 2017.

Facilities

Wifi & ICT

USIM campus is equipped with ICT facilities for teaching and learning and access to online information. uWiSH, a wifi service, is available within the vicinity of USIM Campus and there are more than 160 uWiSH access points. In addition, uWiSH can also be accessed from five USIM out-of-campus residential colleges and the satellite campus at Kampung Pandan, Kuala Lumpur.

To enable students access to educational software, USIM Kampus Nilai employs Virtual Desktop Infrastructure (VDI) technology involving 500 licenses

in the computer labs. This allows the students to access any software they might need from any computer lab. Learning Space around the campus area has also been created in order to encourage students to bring their own devices.

Video-conference facilities have also been set up in USIM's three campuses; Kampus Nilai, Kampus Pandan and Kampus Temerloh.

USIM Library

USIM Library has been in operation since 2000. USIM Library has played its role in supporting the University's teaching, learning, and research for the past 15 years. The library actively provides relevant information and material, access to databases and electronic information, as well as consultation services.

USIM Library provides the staff and students with a diverse collection of over eleven thousand serialised volumes, more than four thousand Special Collection, over 92 thousand Open Access Collections, about three thousand multimedia files, six manuscripts, and electronic sources (Digital Library, e-books, and e-Journals), rounding up to a total of 130 thousand reference materials.

Library Services

- Library Collections
- User Education Programs

USIM Tunku Najihah Sports Complex

The Tunku Najihah Sports Complex building was built on 28th June 2007 with an area of 3506.61 m². The 2-storey building began operations on 25 June 2008.

The complex which is fully supervised by the Sports Centre has an internationally recognized running track (IAAF). Its main field is a venue for training and football matches from local and foreign teams.

The complex provides various facilities for healthy sports and recreational activities including:

- Football field
- Hockey field
- Tennis court
- Sepak Takraw court
- Basketball court
- Handball / Outdoor Futsal Court
- Netball court
- Volleyball court
- Badminton/Ping Pong courts
- Indoor and Outdoor Gym
- Martial Arts Training Room
- Dressing room and surau facilities
- Training and briefing room
- Rental of sports equipment and bicycles

University Health Centre

The University Health Centre provides its staff and students medical services, including outpatient treatment, on-call, emergency and stand-by, haemodialysis, dental, and a Wellness Clinic with gymnasium and rehabilitation services.

The University Health Centre is currently housing eleven staff consisting of a medical officer, an assistant medical officer, an assistant pharmacist, three staff nurses, an assistant administrative officer, an assistant officer, a health attendant, and two ambulance drivers. Locum medical officer is also provided for the existing medical officer to attend patients whose average number can reach up to forty per day.

Tuanku Muhriz Islamic Complex

Inaugurated by His Majesty the Yang Dipertuan Besar of Negeri Sembilan on 4th October 2017, this two-storey complex was built on 2nd June 2014 with an area of 6616m². It is fully equipped with a main prayer hall that can accommodate up to 4000 congregation at a time, study rooms, mortuary management room, zakat counter and other facilities.

The features of Islamic architecture in this Islamic complex are prominent in the construction of the mosque tower, its main dome, as well as the carvings on the mihrab and prayer hall. The existence of the Tuanku Muhriz Islamic Complex is also a form of translation of USIM's responsibilities as an Islamic university that supports the elements of governance, policy and direction of the university based on the Quranic and Sunnah at all times.
